

LSU AgCenter Agricultural Chemistry Laboratory – Looking for Student Workers

Do you need laboratory experience?

Do you want steady work?

Are you able to follow instructions, use basic equipment,
and clean glassware?

If so, you are in luck! The Ag Chemistry Laboratory is looking for
a few reliable student workers for the laboratory. No prior
experience is needed!

Who: Mrs. Tara Gardner – TGardner@agcenter.lsu.edu

Department Phone: 225-342-5812

Where: Ag Chemistry Bldg. RM 102 (next to Parker Coliseum)

How: Send an email expressing your interest along with any
questions you may have.
